After greetings,

**Sub: Renewal of Charter Operations between the State of Qatar and the United States of America**

The Civil Aviation Authority of the State of Qatar (QCAA) presents the highest compliments to the Office of International Aviation of the Department of Transportation of the United States of America.

With reference to QCAA's letter no. This is on the understanding that the Government of the United States of America will also approve similar requests from designated airlines of the State of Qatar.

The Civil Aviation Authority of the State of Qatar avails this opportunity to renew the assurance of the highest consideration to the Office of International Aviation of the Department of Transportation of the United States of America.

Best Regards,
